

How to sign up for a puppy or adolescent class or book a private session.

To book sessions you need to sign into the website with the details you bought your package with. If you use a different email, it will not recognise you. The process below uses the puppy classes as an example- the same process needs to be followed for Adolescent and Private classes.

Step 1:

Go to the booking page on the website: <https://www.fundoggundog.com/book-dog-training-online>

Click where it says "book now":

Before booking, please ensure you read our [Terms and Conditions](#)

Step 2: Select your class

Click any date in orange and it will show you the available session: e.g. 18th October has availability at 15.15, but the 09.30 is full. Select the time and click “next”

Step 5: Finalise the booking

You will be asked to enter your card details again- this is an annoying quirk of the web design system and I cannot remove it, sorry- but please note, the “payment” is £0.00, so no money is being taken.

NB:

I recommend you book as many sessions as you can in advance to avoid having to go through this process, and also to ensure that you get the date and time that you want.

If you DO NOT receive a confirmation email (automated by the website) then you are NOT booked on- so please check your spam and then email me philippa@fundoggundog.com as soon as possible, as I would hate for you to miss out on a time/ date that you want if it can be avoided.
